4. **Consideration to apply for another PARTF grant**

Mayor Lightfoot opened the floor for comments on pros and cons of applying for another Parks and Recreation Trust Fund grant to do the installation of the playground and the bathroom building and complete the primitive camping area. Major concern was how to get the matching funds that are required. Look into partnering with the High School Masonry department and seek for corporate sponsors or do a crowd funding page. Also, it was brought up to make sure the building and supplies estimates are more true to actual costs, so we don't have the trouble like with the walking trail paving. Alderman Blevins made a motion to move forward to start the application process for a PARTF grant. Alderman Shepherd seconded the motion and all were in favor. Motion passed unanimously.

5. **HCCOG to do PARTF application**

Mayor Lightfoot opened the floor for comment on allowing High Country Council of Governments do the PARTF grant application for us. Alderman Slaton made a motion to have the HCCOG do the grant application for us. Alderman Cordell seconded the motion. The motion passed unanimously.

6. **Adjournment**

Alderman Slaton made a motion to adjourn. Alderman Shepherd seconded the motion. Meeting was adjourned at 6:43 p.m.
